

ChristChurch London Life Group Discussion Outline – 05/10/08
“Getting to the heart of ChristChurch London” – David Stroud

Read Rev 3:14-18

1. God does not want us to have a lukewarm faith (v16). What are some of the challenges we face in living a life full of red-hot passion for Jesus?
2. On Sunday David shared with us his personal story of how God has been at work in his life. Share with one another one example of how God has been evidently at work in your own story?
3. We are to live with a longing for God’s glory. How can we cultivate this passion, believing that God is going to do something wonderful in this nation? What challenges does this bring? Discuss some of things you could reach for together as a lifegroup?

Following David’s exhortation to live by faith, what are some of the challenges we face when living faith filled lives? In what ways can we step out in faith, both as individuals and as a lifegroup?
