**Colossians 2:6-23**

1. What is “the circumcision done by Christ”? (vs 11)  
(NOTE: you might want to look at Romans 2:28-29, Philippians 3:3)
2. What does verse 15 mean?
3. Where in verses 16-23 can you see evidence of a super-strict legalism, or super-spiritual experiences?
4. Personal application:
  - a) Have you been “buried with him in baptism”? Have you been raised out of the water through “your faith”? (vs 12)
  - b) To what extent, if at all, are we at risk from the sort of false teachers who were preying on the new Christian community at Colossae?
  - c) If we are feeling empty, the answer is in verse 10. But what does it mean to have “fullness in Christ?” Discuss!
