

ChristChurch London Life Group Discussion Outline – 22/06/08
“Accomplishing great things for God” – David Stroud

Read 1 Sam 14:1-23

1. Jonathan thought differently to everyone else (v1). What are some of the challenges we face when resisting conformity to conventional wisdom (Rom12:2)? How does thinking differently impact the way in which we live our lives?
2. Jonathan was a man who took action (v6). What do you think are some of the obstacles we face when deciding how to take the initiative, and how can we overcome them? What do you think are some of the things that God currently wants you to take the initiative with?
3. What are some of the ways in which we can step out and take action as a Life Group?
4. Jonathan understood the importance of faith (v11). How can we be sure in our hearts (“grow in faith”) of what is going to happen? What are the big risks we can take for God?
