

ChristChurch London Life Group Discussion Outline – 28/09/08
“What qualities does this require from us?” – David Stroud

Read Ex 35:1-36:6

1. It's God's desire to be with his people (Ex 25:8), and the Israelites' response was to build the Tent of Meeting as a place for His presence to dwell (Ex 35:21). Share examples of where the presence of God in the church has impact you or others that you know, including those who are not believers?
2. The Israelites brought an offering out of a willing heart (Ex 35:21). In what way does this challenge us about our approach to giving? How can we make sure our hearts are right when offering worship to God?
3. The Israelites gave out of what they had, putting trust in God for their future (Ex 35:5 & Matt 6:25-34). How can we grow in our ability to trust God more in providing what we need rather than become anxious?

The Israelites took time to consider what they should each give (Ex 35:20). Spend some time praying together for the offering this Sunday asking God for a great blessing.
