

**ChristChurch London Life Group Discussion Outline – 7/09/08**  
**“The Grace of Giving” – Terry Virgo**

**Read 2 Corinthians 8v1-15, 9v6-15**

1. We've had talks on money before. Did anything fresh hit you during Terry's preach? (maybe think about God's immediate gift of grace to enable us to give)
2. Having looked at why and how Paul encourages us to give, what is your biggest motivator to give? How can we grow in other aspects of our giving?
3. Terry spoke of the obedience of faith. How did this work itself out in our daily lives this past week? How does it affect our attitude to giving financially to the work of the church?
4. Think about Terry's encouragement not to distance ourselves from a sound biblical doctrine just because we've seen it abused. In the light of that, what is the difference between “the prosperity gospel” and a biblical understanding of 2.Cor 9v6-15? Can you think of any other examples of God's people distancing themselves from a particular scriptural truth just because they've seen it abused?

Note – encourage your Life Group to spend serious time in prayer in the next few weeks seeking God about how much they should use their money to honour God and build His church on 5<sup>th</sup> October (Anniversary service). Remind them it will be an adventure of faith to give!
