

ChristChurch London Life Group Discussion Outline – 8/03/09
“Winning people; Building the Church” – Andy Tilsley

Read 1 Thess 2:1-12

1. What do you think genuine Christian community should look like? What can your life group do to help make that happen?
2. What are some of the ways that we can show courage or “die to self” in our Christian walk? How can we help each other step out of our comfort zone?
3. What does it mean to “live lives worthy of him” (verse 12)? Can you think of examples where we need to apply this in our own lives?
