## Intro

### Verse 1

You're our faithful refuge  
A shelter we can run to  
When fear tries to hide you  
You give us strength to trust

### Verse 2

You keep us through the tension  
Of unanswered questions  
You reach past our vision  
To satisfy our hearts

### Prechorus

In one way or another  
We are all weary travellers  
Seeking for your face  
Asking for your grace  
Longing for a future that feels more safe

### Chorus

When living this life,  
Brings sorrow to light,  
Lead our roaming hearts to know,  
Jesus you're the home for our searching souls.

### Verse 3

Through our search for meaning  
We can find your freedom  
Your love is the reason  
Hope is never lost

### Vamp

We find in you  
Our hearts resting place  
Fullness of joy  
In your safe embrace
