

Youth Ministry Leader, Christ Church London

Appointment of Youth Ministry Leader, Christ Church London

At Christ Church London our aim is to provide a great experience for children and young people in a safe space where they can have fun, make friends and explore faith together.

Christ Church London has a growing group of children (100+) of which some are now entering into their youth. As a result, there is a growing need for a Youth Leader who is motivated to pioneer a new youth ministry in cooperation with our Kids Leader. We are looking for someone who will work to disciple our own youth in their relationships with Jesus, and also motivate and lead them to share their faith with others.

Our young people need to have someone to look up to and to learn from on their faith journey; someone they can look to when they need answers to the bigger questions of life. The successful candidate will have faith for city centre ministry with a proven track record in working with a dispersed congregation of families. Crucially, they will be confident in leading a diverse group of young people coming from all demographics and backgrounds from across London. The successful candidate will have previous success in scaling a similar church ministry and will do so with a natural and intuitive identification with the Christ Church London mission.

Key Responsibilities:

- - Work directly with young people (11+) to develop and maintain positive relationships with them and to support and encourage them as they embark on and continue a transformative journey of faith in Jesus.
 - Maintain a strong teaching curriculum with fun and interesting session plans where there is frequent opportunity for youth to experience the presence of God through prayer ministry and worship, and enable youth to have strong and secure foundations for their faith as they move from teenagers to adults.
 - Develop a church-wide community for youth to build friendships and encourage each other in their faith.
 - To develop and run (in partnership with key children's leaders at each site) midweek evening and weekend groups for young people attending Christ Church London as a regular hang-out to spend time together in a Christian environment. The expectation is that over time Christ Church London will have a central hub for youth within Zone 1, which is accessible to all, but will also have 'satellite' groups in North, South, East and West London.
 - To organise (in partnership with key children's leaders at each site) regular events and activities for the youth in the church e.g. socials, youth weekend away, youth worship band, social action projects, attending and participating in regional and national Christian events focused on youth.
 - Create missional opportunities and events designed to reach out to young people who don't know Jesus yet and to develop an outreach plan e.g. Youth Alpha, youth weekend away/weekend socials and sports/activity teams.
 - Networking with and connecting to youth groups at other London churches to inspire and develop exciting youth events, activities and missional opportunities.
 - To manage, recruit and pastor a large team of youth volunteers, including setting rotas and facilitating team meetings and training.
 - To manage the records of youth and families via our online database (ChurchSuite), including consent and group attendance.
 - Managing budgets and ordering resources as required.
 - To work with other ministry leaders (worship, welcome, prayer) to integrate youth into CCL more widely. For example, youth serving on welcome and prayer teams, and a youth worship band.
 - Encouraging young people to work for the cultural, social and spiritual renewal of this city and linking to the Everything initiative.
 - Ensure safeguarding measures are in place and followed for the work with young people.
